Las Vegas Planning Department,

We are writing this letter to request that our current business license be upgraded from minor auto repair to a major auto repair title. We have the following reasons for our request:

- Millenium Auto Care is located in an auto mall in which every business is automotive related.
- Millenium Auto care has been in business since 10/2000 and has never had any hazardous damages or fires
- Our neighbor at 3405 N. Rancho Dr. St.180 Located in the same complex already has a major auto repair business established.
- Our business complies with Special Conditions under Chapter 19.04

We believe our business has gathered the sufficient requirements to request this upgrade.  
Thank you for your time and consideration of this matter

Sincerely,  
Millenium Auto Care
